

Celebrate Scotland with Bespoke Hotels

Breath-taking Landscapes & Accommodation for Every Occasion

Explore baronial castles and wake up overlooking the shores of tranquil lochs; trek the peaks of the Hebrides and navigate the Arrochar Alps; or explore some of Britain's most unspoiled beaches and cruise over 500 miles of the most stunning scenery our Isles have to offer. With 17 properties spanning the length and breadth of Scotland, Bespoke Hotels offers all this and more.

Beginning with Scotland's rugged West Coast, the centuries-old Stonefield Castle Hotel overlooks Loch Fyne and the town of Dingwall, while the Gairloch Hotel boasts panoramic views across the waters to the Isle of Skye, where the Dunollie Hotel is nestled at the base of the Cuillin Hills.

Venturing further North, The Royal Hotel in the heart of Thurso, on Scotland's Northernmost shore, is framed by some of the most dramatic coastline in the country, while The Dornoch Hotel is cradled by unspoiled beaches and boasts an impressive neighbouring golf course. A short drive South brings visitors to Tulloch Castle, featuring impressive views across the Cromarty Firth to the Black Isle, as well as promise of the supernatural in the form of the Green Lady, whose spectre is said to walk its halls.

For ramblers, there's plenty to get your teeth into, with The Highlander Hotel based in the heart of the Cairngorms National Park, a short distance from Newtonmore, home of one of Scotland's largest annual Highland Games displays. And for those in the mood to spoil a good walk, where better to play a round of golf than the world famous Carnoustie links, set to be the home of the Open Championship in 2018, with the Carnoustie Golf Hotel & Spa overlooking the historic fairways.
