

Scottish Segway Centre

*** NEWS RELEASE ***

New Offering for 2017!

Scottish Segway Centre has been trading at the Falkirk wheel for the last two years, and has built a reputation for delivering high quality and fun guided trips around the iconic Wheel site, teaching young and old alike the fun of Segway™.

New for 2017, Scottish Segway centre are delighted to announce that they have a new offering for the summer to come, having signed an exclusive agreement with Falkirk community Trust to offer Segway™ at the Helix Community Park, near the Kelpies

This is a different experience to that offered at The Wheel, enabling customers to explore in a more free-range way, unguided, offering the chance for customers to enjoy and operate our off-road Segway Personal Transporters through the rough terrain at their pace and leisure!

Scottish Segway Centre also offer Segway On Tour, where the machines come to your site, and provide exploration and enjoyment at your own event, whether it's for corporate days out, weddings, special occasions or festivals, this provides the perfect pop-up addition to your attractions.
